

PRENO SE API CF/SG

DIESEL ENGINE OIL

❖ DESCRIPTION PRODUCT

- PRENO SE MULTIGRADE series suitable for diesel and petrol engines, to meet the performance, CF-4/SG incorporates the following characteristics, high resistance against oxidation, a good detergent and dispersant properties, the ability to neutralize the acid, the machine becomes very clean internally and good lubrication.

❖ REKOMENDATION

- API CF-4/CF/CF2/CD/SG , ACEA E2-96 Issue 5 (2007), MB 228.1 , MAN 271, SMTU Type I Mack EO-K/2, Volvo VDS Deutz DQC 1-02.

❖ APPLICATION PRODUCT

- PRENO SE MULTI GRADE series applicable to public transportation vehicles, heavy duty diesel engines, and construction. superior engine lubricants with highest quality for gasoline and diesel equipment especially suited for new generation of turbo engines 3 and engine valves. (catalytic converter compatible)

❖ CHARACTERISTICS PRODUCT

SAE	15W-40
Specific Gravity 15°C	0.8775
Viscosity Kinematic, at 40°C, cSt	106
100°C, cSt	14.5
Viscosity Index	140
POUR POINT, °C	-35
FLASH POINT, °C	235
Color ASTM	L 3.5
Total base number	10.2
